Blouse Export co.,ltd.

**Blouse Export co., Ltd.** is a 20-year experienced clothing manufacturer for uniform and casual wear with 60 professional staff and modern tool and equipment.

We are pay attention in every process, since design till delivery to customer's hands. Our designer carefully sets pattern blueprint, choosing all details and cutting prototype. After prototype approved, our manufactory manager does pre-production all order to minimalize and prevent mistake in real production. By quality thread-stitches and good finishing, it leads to deliver quality and good shape uniform.

Lead-time is one of the most important issue for Blouse Export co., Ltd. Not only well organizing and planning, but also improving labor training program, it leads us to have stable and reliable productive and delivery quality on schedule.

The great pattern and neat cutting uniform on your staff, even it goes to many washed which reflects quality of service, identifies and shows pound organization, these is our company mission.
